ABOUT US

Yashika Shipping is your one stop destination for all your logistic needs. With the help of our vast and well settled network throughout India, we are able to provide our customers with hassle free services for Customs Clearing services as well as other services like Air and Sea freight forwarding, Surface Transport, Insurance, warehousing etc.

We are committed to providing customers value-added services. We strive to develop a long-term business relationship with our customer, which is founded on our ability to help identify and recommend the best solution for each customer's business environment. We strive for continuous improvement in our relationships with customers and our ability to provide quality products and solutions to our customers' requirements without losing focus of our 'Right-on-Time' delivery system.

We are aware that clients have specific requirements with regards to their shipments. Hence, we consult client individually to understand their specific requirements and are able to offer Customized Requirements.

We have the resources & the expertise to help you compete more effectively. Giving us an opportunity to serve you would definitely be the beginning of a mutually beneficial relationship. We have online tracking system, moment your shipment is booked, entire information is available on the site any point of time.

On receipt of the smallest piece of information by phone, we begin to build fully comprehensive information for each individual consignment, and take the approval from you, and incorporate the changes which you need.

We have online tracking system, moment your shipment is booked, entire information is available on the site any point of time.

With having agency network in every major port in China, Taiwan, Hong Kong, Korea, US, UK, Germany, we can provide a personal, hands-on service wherever your shipments are. This is supported by our industry-leading IT system which allows you to have unrivalled levels of control, visibility and ownership of your cargo throughout the supply chain. Whatever your requirements, you can be rest sure that we have the experience, ability and capacity to support you.

We aim to offer all of our customers the best possible service. This means that you can be sure that an experienced staff member, who understands your business, is available to talk whenever you need to. This helps to ensure that your cargo is in safe hands.

OUR VISION

Our Vision is to provide One stop solutions in logistic industries to all our valued customers with latest technology support. We believe that by providing convenience and comfort to our customers, we can ensure their satisfaction.

OUR MISSION

We believe in enhancing shipping experience by providing innovative and cost effecting solutions. Our mission is to provide our clients with the best possible service.

WHY CHOOSE US?

Yashika Shipping and Forwarding Pvt. Ltd is one of the leading freight forwarding companies in India and offers highly flexible freight forwarding services for all your import, export, and domestic deliveries. Our committed team of logistics professionals provide a 24-hour top-level customer support service to help you resolve any queries that may arise during the entire process of shipping.

We are a team of logistics & transportation management professionals who you can trust and rely on to effectively manage your transportation service requirements. With decades of transportation supply chain management experience, we provide our customers with cost effective transportation solutions. Our commitment to investment in state of the art business intelligence, visibility and tracking technology is what sets us apart from other typical transportation company.

We believe that there is no substitute for personalized service. We offer our customers many different value add services which have been designed to introduce bottom line savings and enhance our customer support capabilities to our valued customers.
